

IATAN Accreditation Requirements

Please note that IATAN has added symbols to its documents to better assist you with the document and to point out specific areas for your particular needs.

Note that the black symbol  is relevant to all applicants while the following symbols are geared towards your specific area of interest:

Airline Appointed Applicant

Specific Airline Appointed Applicant

Non-Ticketing Applicant

IATAN offers US travel businesses and professionals global recognition and reach.

IATAN's mission is to promote professionalism, administer meaningful and impartial business standards, and to provide cost-effective products and services that benefit the travel industry.

Qualifier(s)

Managerial Qualifier

Each **ticketing location**, including unrelated travel businesses sharing the same premises, must have at least one full-time* person authorized to make managerial decisions and exercise daily supervision of the location, who has had:

- at least two (2) years full-time employment within the last ten (10) years in a managerial position at an accredited agency** or corporate travel department, or in a passenger air transportation sales capacity at an airline; or
- at least three (3) years full-time employment within the last ten (10) years as a sales counselor at an accredited agency** or corporate travel department, or in a passenger air transportation sales capacity at an airline; or
- at least four (4) years full-time employment within the last ten (10) years in a managerial position in a travel related business (such as hotel, cruise line, or tour operator) that offers travel services to the general public;
- or an acceptable combination thereof.

If the location is designated and approved by ARC as an "On-Site" branch location, the Managerial qualifier is not required.

If the location is designated and approved by ARC as a Centralized Service Location (CSL), the same person may be the Managerial qualifier for up to 20 CSL IATA code numbers.

Ticketing Qualifier

Each **ticketing location**, including unrelated agencies sharing the same premises, must have at least one full-time* person who performs or supervises the performance of all technical aspects of selling commercial air transportation (i.e. making reservations, issuing tickets, assigning seats, generating other traffic documents, etc.).

- a) This person must have at least one (1) year full-time* experience in this field within the last three (3) years at:
 - an accredited agency**;
 - an airline; or
 - a corporate travel department;
 - or an acceptable combination thereof.

* An employee is considered full time when he/she works 35 hours per week.

** An accredited agency is a former IATA or ATC approved agency, an IATAN accredited agency, ARC industry agent or an agency approved by IATA in any other country in the world or pursuant to any domestic approval system operated by domestic airline associations in other countries of the world.

*** Reduced to one (1) year within the last three (3) years if the person has successfully completed an undergraduate degree in travel and tourism or has earned certification as a Certified Travel Counselor (CTC), a Certified Travel Industry Executive (CTIE) or as a Certified Travel Associate (CTA). (We require a copy of your degree or certification).

IATAN Accreditation Requirements

Or

- b) has successfully passed the Certified ARC Specialist (CAS) test administered by the Airlines Reporting Corporation (ARC).

If the location is designated and approved by ARC as an "On-Site" branch location, the Ticketing qualifier may be an employee of the corporate client.

If the location is designated and approved by ARC as a Centralized Service Location (CSL), the same person may be the Ticketing qualifier for up to 20 CSL IATA code numbers.

Note the same person may be the Managerial and Ticketing qualifier.

Non-Ticketing Location

Each **non-ticketing location** must be managed by a person who devotes substantially all of their time to the affairs of the business and has had at least two (2)^{***} years full-time or equivalent experience within the last three (3) years in a travel sales capacity at an accredited location, corporate travel department, airline, cruise line, hotel, car rental, railroad, bus company, tour operator or other travel related business.

Premises

Each business or location must be identified as offering professional travel services.

Each **ticketing location** must be accessible to the public for the sale of travel & travel related services.

Locations on the premise of a customer (**On-Site**) must be accessible only to the employees of the customer.

Centralized Service locations must not be identifiable as a travel "agency" nor open and accessible to the public for the sale of travel & travel related services.

IATAN Accreditation Requirements

IATAN Accreditation Requirements

◆ Responsibilities

The Applicant will **not** be accredited or retained by IATAN when the business entity or any person(s) holding a financial or ownership interest in the business or any manager who exercises daily supervision over the operation of the business has:

- been found within the last ten (10) years by a court of competent jurisdiction to have violated any fiduciary obligation or committed an act of fraud, embezzlement or similar activity
or
- been involved in the financial management of an accredited location which has been removed from IATA, ARP or ARC on grounds of default; unless it is determined that such travel agent, person or manager did not participate in the acts or omissions that caused such default
or
- made a misleading statement or representation to obtain or retain this accreditation
or
- improperly used an IATAN or IATA registered trademark or service mark
or
- falsely identified the business as holding industry credentials or memberships not limited to IATA or IATAN
or
- lent, subcontracted or hired to a third party an IATA Numeric Code, or used the IATA numeric code as a form of identification or other purpose on a proprietary product without express authorization to do so by IATA.

Once accredited, the business entity must comply with the IATAN Accreditation Requirements on an on-going basis.
