

IATAN ICB/ICE Registration Form

Definition of Terms

A Host Service Location (HSL) is an IATAN endorsed location that has been authorized by IATAN to register and request ID cards for the eligible owners, employees, and independent contractors (subagents) of an Independent Contractor Business.

An Independent Contractor Business (ICB) is an entity (Corporation, Limited Liability Company, Partnership or Sole Proprietorship) that earns revenue from an HSL from the sale of travel and travel related services. The ICB registers and requests ID Cards for its owners, employees, and independent contractors (subagents).

An Independent Contractor Employee (ICE or subagent) is an owner, employee, or independent contractor of an ICB who has met the IATAN ID card requirements.

How to Register

- Submit the ICB/ICE Registration Form (Doc 193). Make copies of page 3 of this form for each ICE.
- Provide a 1099 form that reflects the ICB is earning revenue from the HSL. This 1099 may be used to validate earnings of ICB owners. **Note:** If the 1099 does not show the name of the owners, additional documentation may be required to validate ownership of the business.
- Provide a 1099 or W-2 form for each ICE reflecting at least \$5,000 earned in salary or commission from the ICB.
