

IATA/IATAN Digital ID Card

ID Card holders can now access the digital card via the IATA AgentExperience app.

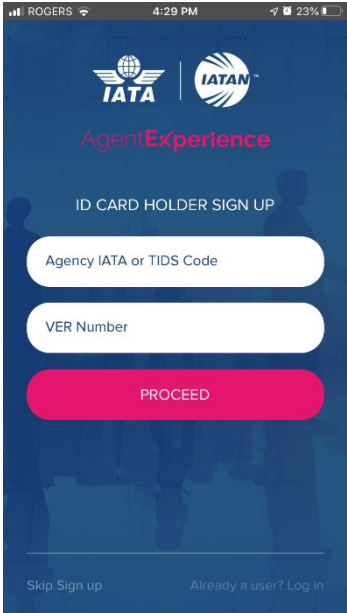

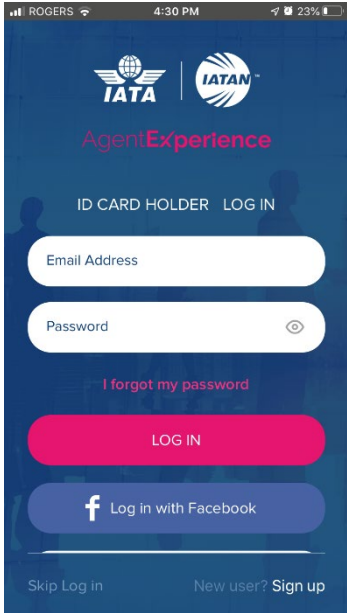

The mobile app's easy to use features streamline the identifications process of your travel professional status to suppliers, as well as connects you with other travel agents, including finding great exclusive offers from around the world. Download the app & see the ID Card benefits today!

Other features available on the app

- **Tap-to-Share:** email your digital ID Card to suppliers with one single tap
- **Timatic COVID-19 Regulations:** get the latest travel update restrictions on every published travel offer
- **Big Picture:** view travel offers from around the world with an enhanced map view
